## DIRECTORS NOTE

### Notes from the Directors :

Selecting a musical that fulfilled all our criteria was no easy task. We wanted a crowd-pleaser to draw in a large audience, fun and dynamic characters, and a relevant lesson for our students. *Chicago* emerged as the perfect choice, challenging both performers and audiences alike. Its satirical commentary on the justice system and media obsession with celebrity status opens the door to thought-provoking discussions.

*Chicago* offers a sharp critique of the justice system, delving into themes of manipulation, fame, and the blurred lines between truth and fiction. Despite its 1920s setting, the musical's themes of celebrity culture and media manipulation resonate strongly in today's society.

We're immensely proud of our dedicated cast and crew. Their countless hours of hard work, tenacity, and creativity have brought this iconic story to life. We hope you'll be as impressed as we have been by the professionalism of these young artists. Get ready for them to "Razzle Dazzle" you as they sing, dance, and act one showstopping number after another in the classic musical, *Chicago Teen Edition*.

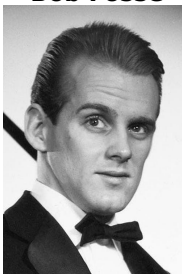

-Directors, Caitie Almond, David Mayer, & Levi Walker

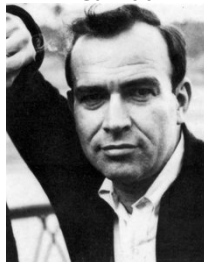

## END NOTES

### About the Authors

**Bob Fosse**

**Fred Ebb**

Robert Louis Fosse was an American actor, choreographer, dancer, and film and stage director. He directed and choreographed musical works on stage and screen, including the stage musicals *The Pajama Game*, *Damn Yankees*, *How to Succeed in Business Without Really Trying*, *Sweet Charity*, *Pippin*. From 1975-1977, he co-wrote, choreographed, and directed *Chicago*.

Fred Ebb was an American musical theatre lyricist who had many successful collaborations with composer John Kander. The Kander and Ebb team frequently wrote for such performers as Liza Minnelli and Chita Rivera. They've given the world some of the great creations of the American musical stage: *Cabaret*, *Chicago*, *Kiss of the Spider Woman* and nearly a dozen more, ranging from *The Act* to *Zorba*.
